

# THE GATEWAY TO TOMORROW

Japan Educational Tour 2026

A 13-Day Journey of Technology,  
Culture, and Academic Exchange.

From Accra to Tokyo. From the Classroom to the Cutting Edge.

### Day 1 (July 11):

Depart Accra.  
Emirates EK788 at 18:00.

### Day 2 (July 12):

Transit Dubai.  
Arrive Tokyo Haneda  
at 22:20.

### Day 3 (July 13):

Orientation and Cultural  
experience.

Home Base:  
Grand Prince Hotel  
Shin Takanawa

## The Journey Begins: Accra to Haneda

## Immersion in Tradition: Tokyo's Dual Identity

- Day 3 Afternoon: Tokyo Skytree & Sensoji Temple.
- Cultural Workshop: Kimono Dressing & Tea Ceremony.

# Dinner on the Water: The Yakatabune Experience

## Day 3 Evening Highlight

Experience Tokyo Bay from a centuries-old perspective. Dine on traditional tempura while floating past the illuminated city skyline on a lantern-lit boat.

# The Corporate Future: Human-Robot Collaboration

## Day 4 Timeline:

- **Morning:** Tour of Tokyo Midtown Yaesu (Mitsui Fudosan).
- **Lecture:** Business Insights by Funai Consulting.
- **Afternoon:** Kawasaki Robostage Visit.

**Key Concept:** Witness the interface where industrial robotics meet daily life.

# Academic Horizons: Your Future in Research

**Special Feature:**  
**Meet a Ghanaian Professor at Tokyo University  
of Agriculture and Technology.**

See yourself in their success. Learn about the path from  
Ghana to a Japanese PhD.

Day 5 Visits:

1. Waseda University, Faculty of Science and Engineering.
2. Tokyo University of Agriculture and Technology.

# Takanawa Gateway City: The Global Test Bed

## Day 6 Overview

Welcome to the Future City Showcase of 2026. A city designed as a living laboratory where the entire environment tests new society concepts.

# Living with Physical AI: Robots in the Wild

**Day 6 Deep Dive:** Physical AI moving beyond the screen into the real world.

**Delivery:**  
Autonomous ZMP robots using elevators and gates.

**Security: 24/7 Patrol.**  
AI monitoring of crowds and plant health.

**Mobility:**  
Autonomous vehicles for elderly support.

# Where Decisions Are Made: Governance & Policy

## Day 7 Ministry Visits:

- MEXT (Ministry of Education, Culture, Sports, Science and Technology)
- METI (Ministry of Economy, Trade and Industry)
- MLIT (Ministry of Land, Infrastructure, Transport and Tourism)

Connecting the technology you see to the policies that drive it.

# Building Bridges: Exchange with Japanese Youth

Day 8 Activity: Sightseeing and Cultural Exchange with students from Azabu High School.

Azabu High School: A prestigious, historic institution known for academic excellence and global outlook.

Goal: Highlight: Fostering cross-cultural communication and lasting global friendships through shared experiences.

# The Beauty of Japan: Nature & Spirit

## Day 10 Sightseeing:

- Mt. Fuji 5th Station
- Mishima Skywalk
- Fanuc Corporation Factory visit

# Synthesis: Turning Observation into Insight

## Day 11: Debriefing & Closing

- Japan airline JAL sky museum visit
- Kodansha visit

Afternoon workshop to consolidate key takeaways.

Discussion: How to apply Japanese technological concepts to challenges in Ghana.

Closing Ceremony.

# Homeward Bound
